Soldiers & Airmen

We are first and foremost an institution of people--soldiers, airmen, our families and employers. Our greatest strength emanates from the diversity of our force--diversity of education, political affiliations, vocations, social and economic status, sex, race, color, creed and religion. Our common bond is our personal commitment to defending the constitution against all enemies, foreign and domestic.

"If we lose freedom here [in America], there is no place to escape to. This is the last stand on Earth."
- President Ronald Reagan
